ARRIVE TO GUATAVITA:

Experience the beautiful natural setting of Guatavita without sacrificing any comfort. Complete with a private bathroom and electricity, your dome is the perfect place to connect with nature. On the 90-minute drive from Bogota, hear the story of Lake Guatavita, believed to be the site of El Dorado. Despite Conquistador's attempts to drain the lake to find hidden treasures, Guatavita keeps its secrets. Tour the town of Guatavita and explore the scenic landscape around the lake, learning the history of the area. Then head to your campsite and relax in the beautiful setting.
