### HELSINKI:

After a hearty breakfast, meet your guide at the appointed location for your Private Bike Tour for an easy-going orientation to the major attractions of Helsinki. You'll visit the market place to meet the local people and hear the history of their nation through the beautiful and unique architectural mix that only Helsinki can offer. You'll cycle through the like a local and find quiet green spaces in hip neighborhoods, as that is what Helsinki is all about! You'll see some of the major sites including Finlandia Hall, Market Square, National Opera, Hakaniemi Market Hall, Siebelius Park, and Esplanadi Boulevard. The remainder of the day is at your leisure, but you may want to stop at the Loyly Sauna for a true Finnish experience. It's guaranteed to give your body a renewed sense of energy after such an invigorating day. You can book a 2 hour segment through Avanti before departing the US. Dinner will be on your own this evening.

### HELSINKI:

The morning is at your leisure. In the afternoon, make your way to the Helsinki Distilling Company for a Private Tour and Tasting. The Helsinki Distillery Company produces unique spirits using Finnish ingredients, including single-malt and rye whiskies, gin, akvavit, apple jack, sea buckthorn brandy and lingonberry liqueur. On your tour you will be taken through the production facilities and get a detailed explanation of how whiskey, gin and our other spirits are carefully hand-crafted. At the end of the tour, you'll have the opportunity to sample them and learn more about some of their products. Returning to your hotel, dinner is on your own this evening.
